Chat Support Representative – Non Phone Work From Home Jobs

Description

Employer: StreamlineChat Solutions

Position: Chat Support Representative (Text-Based Customer Service)

Classification: Remote, Independent Contractor

Schedule: Flexible part-time or full-time (5-40 hours per week)

Compensation: \$25.00 – \$35.00 per hour

Location: Work from home – All US locations welcome

Job Description

StreamlineChat Solutions is hiring chat support representatives for non phone work from home jobs focused exclusively on text-based customer assistance. This position involves providing live customer service through website chat systems and social media messaging without any telephone communication requirements.

As a chat support representative, you will help online customers through written conversations, answering questions about products and services, assisting with orders, and resolving account issues. This role is perfect for individuals seeking non phone work from home jobs that offer professional growth and competitive compensation.

We are specifically looking for candidates who prefer written communication over phone conversations and want to build careers in the growing field of digital customer service.

Essential Job Functions

Website Live Chat Support • Monitor multiple client websites for incoming chat requests during assigned shifts • Respond to customer inquiries through real-time text-based conversations • Provide detailed product information, pricing, and availability to potential customers • Guide customers through website navigation and online purchasing processes • Process order changes, cancellations, and basic account modifications • Transfer complex technical issues to specialized support teams when necessary

Social Media Customer Service • Manage customer service inquiries received through Facebook Messenger • Respond to customer questions and complaints via Instagram Direct Messages • Handle customer service requests submitted through Twitter direct messages • Monitor social media comments requiring customer service follow-up • Maintain professional brand voice across all social media interactions
