Description

Content Moderator Jobs No Experience – Start as a Live Chat Support Agent, Earning \$25-\$35/hr

Job Overview

We are hiring for content moderator jobs that require no prior experience. In this role, you will work remotely as a Live Chat Support Agent, earning between \$25 and \$35 per hour. Your main responsibility will be moderating content and ensuring that it complies with company guidelines. Additionally, you will assist customers via live chat, helping them resolve issues and providing guidance as needed.

Key Responsibilities

Moderate Content for Compliance

You'll be tasked with reviewing and moderating content to ensure it meets company standards. This involves checking user-generated content for accuracy, relevance, and appropriateness.

Customer Support via Live Chat

In addition to moderating content, you'll also engage with customers via live chat, answering their questions and providing support as needed.

Documenting Chat Sessions

Accurate documentation of each chat session is essential. You'll need to keep records of your interactions and any actions taken.

Collaborating with Your Team

Although this is a remote role, you'll still need to collaborate with your team to ensure that all issues are resolved and that company guidelines are being followed.

Ongoing Training and Learning

You'll receive regular training to ensure that you stay up-to-date on the latest company policies, tools, and content moderation practices.
