Digital Chat Concierge – Remote, No Experience Needed

Description

Why This Role Matters

A leading online lifestyle platform is hiring Digital Chat Concierges to deliver personalized, text-based support to its community of users. This fully remote role offers a rare chance to join a growing digital team and get paid up to \$35/hour—even if you've never worked in customer service or held a formal degree.

Your Mission as a Chat Concierge

Provide Concierge-Level Assistance

When customers land on the site with questions or need guidance—about subscriptions, account settings, or product recommendations—you'll be their trusted virtual concierge, crafting thoughtful, accurate replies using a set of curated response templates.

Use the Concierge Toolkit

Our custom chat dashboard includes quick-select phrases, rich knowledge-base links, and user context. You'll learn to navigate these tools so your messages feel both personal and professional.

Elevate Customer Delight

Beyond solving issues, you'll add warmth and clarity to each interaction—ensuring every user feels heard and valued. Small touches, like using the customer's name or offering extra tips, are encouraged.

Seamless Handoff for Complex Requests

Some scenarios—like refund approvals or technical bug reports—require specialist input. You'll smoothly transfer these chats to advanced teams, ensuring no customer falls through the cracks.

Who Thrives as a Digital Chat Concierge?
