E-commerce Customer Service Jobs – No Experience Required

Description

Live Customer Service Representative – \$25-35/Hour Remote

Company: Digital Commerce Solutions**Location:** Remote (United States)**Employment Type:** Contract Position**Hours:** 5-40 hours per week (Flexible scheduling)**Compensation:** \$25-35 per hour + performance bonuses

Position Overview

Digital Commerce Solutions is seeking dedicated individuals for live customer service positions supporting our e-commerce clients. As a live customer service representative, you'll provide real-time assistance to customers through website chat systems and social media platforms, helping them with product questions, sales support, and order assistance. This is an excellent opportunity for those seeking e-commerce customer service jobs with flexible scheduling and competitive compensation. No previous experience is required – we provide comprehensive training to ensure your success in live customer service delivery.

Primary Responsibilities

Live Customer Service Duties:

- Respond to customer inquiries through live chat on business websites
- Provide live customer service support via social media platforms (Facebook, Instagram, Twitter)
- Assist customers with product information and purchasing decisions through live customer service interactions
- Share relevant product links and promotional offers during live customer service conversations
- Offer discount codes and special deals to enhance customer satisfaction through live customer service
- Guide customers through website navigation and checkout processes via live customer service chat
- Document customer interactions and maintain accurate records of live customer service sessions
- Escalate complex issues to appropriate departments while maintaining live customer service standards
