### Want Flexible Work Without Sacrificing Pay? This Remote Chat Job Lets You Choose When and Where You Work

Sick of applying to “flexible” jobs that still want you on the phone 9 to 5, Monday through Friday? This is different. We’re hiring **Remote Live Chat Agents** to work from anywhere in the U.S., with **scheduling that fits your life**—not the other way around. You’ll earn **\$25–\$35 per hour**, never answer a phone call, and work shifts you actually choose. Whether you’re juggling parenting, school, a side hustle, or just want freedom, this is the job for you.

### What You’ll Do

As a Live Chat Agent, you’ll help customers resolve common issues via a web-based chat platform. That could be questions about billing, login problems, order tracking, or account updates. You’ll use easy-to-follow workflows and saved replies—no guesswork, no pressure, and absolutely no calls.
