Company Overview:

We are an industry-leading online platform specializing in website copywriting services. Our mission is to build a thriving space where copywriters can access a variety of web-based writing projects, enhance their copywriting skills, and enjoy the benefits of freelance work. Our clients range from online retailers to software companies, all in need of high-quality website copy.

Job Summary:

As a Freelance Website Copywriter, you will be a central figure in addressing the copywriting needs of our clients' websites. Your role will involve crafting compelling website copy, product descriptions, and SEO-focused content. No prior experience is required, as we offer in-depth training to prepare you for the role.

Key Responsibilities:

- Create compelling website copy to meet the specific needs of our diverse

client base, including homepage content, product descriptions, and SEO articles.
- Establish and maintain communication channels with clients and internal teams to understand the goals and target audience for each copywriting project.
- Collaborate with other freelance website copywriters and in-house teams to ensure efficient project management and execution.
- Adapt your writing style to match client-specific branding guidelines and industry-relevant terminology.
- Ensure that all written content is optimized for search engines.
- Conduct initial proofreading and quality assurance to ensure the content is accurate and meets the high-quality standards expected by our clients.

Contract Length:

This is a contract-based position with an indefinite term. Opportunities for contract extensions and additional projects may be available based on your performance and client needs.

Compensation:

The pay rate for this role ranges between $25 and $35 per hour, depending on the complexity and specific requirements of each copywriting project.

Skills and Qualifications:

- A stable internet connection and a functional laptop or smartphone are essential.
- Exceptional ability to work independently and manage your time effectively.
- Basic reading and writing skills in English are required.
- Proficiency in closely following guidelines and standard procedures is crucial.
- A minimum commitment of 5 hours per week is necessary.

Work Hours:

Work hours are extremely flexible and can be adjusted to suit your personal life and commitments.

Application Process:

We are in the active phase of expanding our team of freelance website copywriters and are keen to bring new talent on board as soon as possible. If you are motivated, adaptable, and interested in website copywriting, we encourage you to apply.We look forward to your application and the possibility of welcoming you to our continually expanding team of freelance website copywriters.
