COMPENSATION BREAKDOWN

Hourly Pay Structure

Base Compensation: \$25-35/hour for all live customer service activities based on experience level and performance metrics. New team members typically start at \$25/hour with automatic increases available after 30, 60, and 90-day performance reviews.

Performance Incentives: Earn additional \$2-6/hour through customer satisfaction bonuses, response time achievements, and sales conversion metrics. Top performing live customer service representatives consistently earn maximum hourly rates plus substantial bonus payments.

Monthly Achievement Bonuses: \$150-450 monthly bonuses for meeting customer satisfaction targets, completing professional development activities, and maintaining consistent availability schedules.

Additional Earning Opportunities

Referral Program: Earn \$250-750 for each qualified candidate you refer who completes training and maintains employment for 90 days. No limit on referral earnings – some team members earn thousands monthly through successful referrals.

Project Bonuses: Special assignments and peak season coverage opportunities provide additional earnings of \$500-1200 monthly. These optional projects allow motivated individuals to significantly increase their income potential.

Training Completion Bonuses: Receive \$100-300 bonuses for completing advanced training modules, professional development courses, and certification programs that enhance your live customer service capabilities.

COMPREHENSIVE TRAINING PROGRAM

Phase One: Foundation Skills (Week 1)

Master the fundamentals of live customer service through our interactive 35-hour training curriculum. Learn customer communication best practices, platform navigation techniques, product knowledge essentials, and company policies and procedures.

Training includes hands-on practice with simulated live customer service scenarios, role-playing exercises with experienced team members, and comprehensive assessment of your developing skills. You'll receive personalized feedback and coaching to ensure confidence and competence before beginning independent work.

Phase Two: Advanced Techniques (Week 2)

Develop sophisticated live customer service skills including advanced customer psychology, sales conversation techniques, conflict resolution strategies, and multi-platform management capabilities. This advanced training prepares you for complex customer situations and higher-level responsibilities.

Specialized modules cover social media customer service etiquette, escalation

procedures, customer retention strategies, and techniques for maximizing customer satisfaction scores. These skills directly impact your earning potential through performance bonuses and advancement opportunities.

Phase Three: Ongoing Development (Continuous)

Participate in weekly skill-building sessions covering emerging trends in live customer service, new platform features and tools, advanced sales techniques, and leadership development preparation. Continuous learning ensures your skills remain current and marketable.

Access to professional development resources including industry conferences, certification programs, and specialized training workshops. Company investment in your professional growth demonstrates commitment to long-term career success and advancement within our organization.
