## Live Customer Service Specialist – Remote Jobs Hiring Near Me No Experience

### Description

**Company:** LocalConnect Remote

**Location:** Remote Work (United States)

**Pay:** \$25-35/hour

**Hours:** 5-40 weekly (flexible)

**Local Focus:** Serving your region remotely

### Local Companies, Remote Opportunities

Looking for **remote jobs hiring near me no experience** that still connect you to your local business community? LocalConnect Remote bridges the gap between remote work freedom and local business support through live customer service positions that serve companies in your region while you work from home.

### Live Customer Service for Local Businesses

Live customer service for local companies offers the best of both worlds – remote work flexibility with the satisfaction of supporting businesses in your area. You'll help local restaurants, retail stores, service providers, and growing companies serve their customers better through professional live customer service.

### Your Local-Focused Live Customer Service Role

**Regional Website Support** Provide live customer service for local business websites, helping community members discover neighborhood services, make reservations, and complete purchases from companies near you through live customer service conversations.

**Local Social Media Engagement** Manage live customer service for regional businesses across Facebook, Instagram, and Twitter. Help build stronger community connections while providing live customer service that enhances local business relationships.

**Community-Focused Sales Support** Use live customer service interactions to connect customers with local products and services, apply regional promotions, and support the economic growth of businesses in your area through effective live customer service.
