Night Shift Remote Assistant | \$25-\$35/hr | Work-from-Home Opportunity with Flexible Overnight Hours

Description

Job Title: Night Shift Remote Assistant
Compensation: \$25-\$35/hour
Location: Work from Anywhere – Fully Remote
Schedule: Overnight Shifts (8 PM–6 AM local time, 15–30 hours/week)
Experience Required: None
Education: No degree required

Position Overview

Our client is hiring Night Shift Remote Assistants to support backend digital operations and content moderation tasks during off-hours. If you're searching for "night shift remote jobs," this is a structured opportunity to earn consistent income from home while contributing to real-world projects for growing brands. You'll complete task bundles such as ticket tagging, data logging, and review moderation—all through written systems. There are no calls or meetings, and all work is completed independently within your chosen night schedule.

What You'll Be Doing

You'll receive nightly task batches through a shared dashboard and complete each one using provided SOPs, templates, and project instructions.

Key responsibilities:

- Monitoring support ticket queues for flagged activity
- Reviewing content for accuracy, tone, or policy violations
- Tagging files, posts, or listings in bulk using internal tools
- Submitting formatted documents to shared folders
- Compiling nightly reports for handoff to daytime teams
- Flagging irregularities or errors for escalation

Who Should Apply

- Night owls who prefer quiet, focused work
- People who want to avoid phones, meetings, and live calls
- Individuals seeking consistent part-time income with structure
- Workers in different time zones looking to support U.S. clients
- Beginners who want real remote experience and steady tasks

Minimum Requirements

- Laptop or desktop computer
- Stable internet connection (10 Mbps minimum)
- Typing speed of 40 WPM or higher
