# **Description**

# Online Customer Service Jobs | \$25-\$35 Per Hour | No Experience Needed | No Degree Required

**How to Apply:** Visit **jobtacular. com** and click "Apply Now" to begin your application today.

# A Flexible Remote Opportunity With Great Pay

Our client is hiring motivated individuals for Live Chat Customer Support Agent roles. Earn \$25-\$35 per hour in a fully remote position that requires no prior experience or degree. With full training provided, this opportunity is perfect for anyone looking to start a rewarding career while working from home.

## **Key Responsibilities**

Real-Time Customer Assistance: Respond to customer inquiries quickly and professionally via live chat. Resolve Common Concerns: Help customers with troubleshooting, billing inquiries, and order updates while escalating more complex problems to the right teams. Process Transactions: Handle refunds, exchanges, and order modifications with precision and care. Stay Product Knowledge Ready: Gain familiarity with the client's products and services to provide effective and accurate support. Accurate Documentation: Maintain detailed records of customer interactions to ensure clear communication and follow-ups Collaborate with the Team: Engage with colleagues to share ideas, feedback, and improve processes.

# What Your Day Will Look Like

**Morning:** Log into the live chat system, review team updates, and assist customers with basic questions like order tracking and account resets. **Midday:** Handle more detailed inquiries, such as troubleshooting billing issues or helping customers navigate product features. Join a virtual huddle with the team to discuss updates and best practices. **Afternoon:** Process refunds, complete follow-ups, and attend a training session to sharpen your skills for even greater success.

### Who Can Apply

**No Experience or Degree Required:** Full training is provided, making this role ideal for beginners.**Strong Written Communicator:** You can craft professional, clear, and empathetic responses.**Problem Solver:** You enjoy resolving issues efficiently and creatively.**Tech Basics:** Comfortable navigating online tools and chat systems—training will fill in the gaps.**Detail-Oriented:** You can juggle multiple conversations while maintaining accuracy.**Remote Workspace Ready:** Have a distraction-free environment and a reliable internet connection**Flexible**
