Overnight Jobs Near Me Remote | \$25-\$35/Hour Work from Home Night Shift – No Commute, No Experience Needed

Description

Looking for a Night Job That Doesn't Involve Leaving the House? This Is It.

If you searched “**overnight jobs near me remote**,” you’re likely done with gas prices, commutes, and warehouse noise. You want something you can do from home, at night, with zero prior experience. This is your opportunity. We’re hiring **Remote Overnight Chat Support Agents** to work **from anywhere**, earn **\$25–\$35/hour**, and never step foot into a building. It’s all online. It’s all written. And it starts with training that gets you up to speed quickly.

What You'll Be Doing

You'll help customers with account questions, login issues, refunds, and general platform navigation. Everything happens through live chat. You won't be talking to anyone—just typing clearly and following the internal guide.

This is the perfect overnight job if you want peace, structure, and serious income during non-traditional hours.

Your Nightly Tasks

- Log into your remote dashboard during selected night shifts
- Respond to 2–3 customer chats at a time
- Use scripts and resources to solve common problems
- Escalate technical issues when needed
- Keep each interaction documented, tagged, and closed out properly

Who This Job Is Great For

- Night owls or early risers

- Caregivers or parents needing nighttime income
- Workers looking to avoid high-contact, high-stress roles
- Beginners ready to earn without jumping through hoops
- People who want consistent part-time or full-time hours at night

No Experience? No Problem.

You don't need:

- A college degree
- Previous work in customer service
- Remote job history
- Phone or video chat skills
- A traditional résumé

What You Do Need

- A typing speed of 40 WPM or more
- A laptop or desktop computer (Windows or Mac)
- Reliable internet (10 Mbps+)
- Availability between 9 PM and 7 AM (your pick of shifts)
- A quiet space to work undisturbed

A Night in the Role

You log in at 11 PM with a snack and headphones. First chat: a user can't access their dashboard—you guide them through a reset. Next: someone needs a refund—you confirm their details, send the right form, and tag the ticket. No one calls. No one interrupts. You finish the shift on time, payments pending, stress-free.

What You'll Gain

- Remote experience with top-tier software tools
- Confidence handling multiple customer chats calmly
- Skills in support platforms like Zendesk, Intercom, or HelpScout
- A proven track record for future promotions or remote gigs
- Peaceful, productive work hours when the world is quiet

What Team Members Say

"I used to work late nights in food service. This is better in every way—more money, no standing, and I'm home by sunrise." – Bria N., Tennessee

"The chat-based system keeps everything efficient. I focus better at night and finally found something that fits." – Hassan M., New York

FAQs

Q: Can I apply if I've never worked in support before?

Yes! Training is included and built for beginners.

Q: Will I be on calls?

Never. This is strictly chat-based.

Q: Do I have to work every night?

No. You set your own night schedule. We just ask for consistency once you pick.

Q: Is this part-time or full-time?

Either. You choose your hours—minimum 15 per week.
