- Manage digital records and files efficiently
- Communicate with team members and supervisors through email and chat
- Participate in virtual meetings and training sessions as required
- Provide regular updates on progress and any issues encountered
- Adapt to new data entry tools and systems as needed

Requirements:

- Reliable internet connection and a computer with up-to-date software
- Excellent written communication skills and attention to detail
- Ability to work independently and manage time effectively
- Proficiency in using online databases and spreadsheet software
- Strong organizational skills and the ability to multitask
- No prior experience with phone-based work required

Benefits:

- Competitive pay rate of \$25-\$35/hr
- Flexible work schedule that fits your lifestyle
- Opportunity to work from the comfort of your own home
- Quiet, phone-free work environment
- Inclusive and supportive company culture
- Access to virtual training and development programs
- Potential for career growth and advancement within the company
