Remote Jobs Near Me No Degree | \$25-\$35/Hour Chat Support – Work from Anywhere Without a College Diploma

Description

Think You Need a Degree to Work Remote? Think Again. We're Hiring Based on Skills—Not Paper.

If you searched “**remote jobs near me no degree**,” chances are you're overqualified for underpaying jobs, and under-credentialed for anything decent—or at least that's what most listings make you think. Not here. We're hiring **Remote Chat Support Agents** who want real work, real pay, and **no college degree required**. You'll earn **\$25–\$35/hour**, work entirely from home, and be judged by your performance—not your diploma.

What the Role Is About

You'll help customers solve problems via written chat—no calls, no pressure, no awkward upselling. Whether it's login issues, subscription adjustments, or general questions, you'll be trained on how to respond using a streamlined support system and pre-written replies.

We don't care if you graduated or dropped out. If you're smart, focused, and can type clearly—we'll train you to succeed.

Day-to-Day Responsibilities

- Log into your support dashboard and respond to inbound chat requests
- Use templates and help documents to guide your replies
- Maintain clarity, kindness, and consistency across all interactions
- Escalate issues that require more advanced support
- Keep records and tag chats for documentation
