FAQs about remote work

How is performance evaluated in a remote setting?

Performance is assessed based on deliverables, participation in meetings, and collaboration with team members, among other factors.

Is there flexibility in terms of working hours?

Yes, we offer flexibility in working hours, understanding the diverse time zones and personal commitments of our remote team.

Are there growth opportunities for remote positions?

Absolutely!

We believe in promoting from within and offer various growth paths and professional development opportunities for all employees.

Are there opportunities for remote team members to meet in person?

While the role is remote, we organize annual company retreats and team meetups to foster personal connections.

How does the onboarding process work for remote positions?

New hires undergo a comprehensive online onboarding process, which includes training sessions, introduction meetings, and access to all necessary tools and platforms.

How often do remote employees have team meetings?

Team meetings are held weekly, with additional meetings scheduled as per project requirements.

What are the key qualities the company looks for in remote employees?

We value proactiveness, strong communication skills, self-motivation, and the ability to work independently.

What support is available for remote team members?

Remote employees have access to a range of resources, including IT support, HR services, and continuous learning opportunities. We offer a comprehensive benefits package to all our employees..

What tools do we use for remote collaboration?

We utilize a suite of modern tools like Slack, Zoom, and Trello to ensure seamless communication and collaboration among remote team members.
