## Remote Night Jobs Part Time | \$25-\$35/Hour Work from Home Chat Support - Flexible Late-Night Shifts

### Description

### Only Available at Night? We've Got the Perfect Part-Time Remote Job for You

If you searched “**remote night jobs part time**,” you’re probably not trying to clock in for 8 hours straight—and you definitely don’t want to answer phones at midnight. You want something flexible, quiet, and profitable. This is that job. We’re hiring **Part-Time Night Shift Chat Support Agents** who want to earn **\$25-\$35/hour** from home, on their own schedule, supporting customers through written chat—no calls, no chaos, just focused, remote work you can do after hours.

### What You'll Be Doing

This is a late-night, part-time role where you'll assist customers via live chat. You'll respond to questions about accounts, billing, subscriptions, and more—all using scripts, templates, and internal tools. You'll work in short blocks (2-6 hours) and get full support, even during off-hours.

### Your Nightly Responsibilities

- Log into your secure dashboard during your selected night shift
- Handle 2-3 chat conversations at a time
- Use prewritten responses and internal help docs to solve problems
- Escalate technical or policy-related issues
- Keep clean records of each interaction

### Who This Is For

- Students, side-hustlers, or parents looking for supplemental income
- Night owls who thrive in quiet hours
- Gig workers who want stability but not full-time hours

### Hiring organization

Entry Level Remote Jobs

### Employment Type

### Valid through

01.01.2029

- Anyone looking for their **first remote job** with low pressure
- People who prefer text over talking

## You Don't Need

- Previous customer service experience
- A degree or background in tech
- A phone or webcam—this is 100% written support
- To commit to full-time hours
- Any sales experience or upselling

## You Do Need

- Typing speed of 40 WPM or more
- Strong written communication and attention to tone
- A laptop or desktop (no tablets)
- Stable internet (10 Mbps or faster)
- Availability during nighttime hours (9 PM–6 AM, any timezone)
- At least 10–20 hours/week availability (you set your schedule)

## Pay, Schedule, and Perks

- Starting pay: \$25/hour
- Night shift bonuses and peak hour boosts up to \$35/hour
- Biweekly direct deposit
- Paid training (no unpaid onboarding)
- Choose your shifts weekly—no locked schedules
- Optional benefits package after 60 days for qualifying part-timers
- Clear promotion paths into QA, scheduling, and leadership roles

## A Typical Night

You log in at 10 PM and take your first chat—a customer wants to pause their subscription. You pull up their profile and send a prewritten guide. Next, someone has a payment issue—you verify their info, confirm the charge, and escalate the case. Two hours later, you've helped 8–10 people, made your hourly pay, and still

have time for a late-night snack and some rest.

## What You'll Learn

- How to navigate real-time chat support tools
- How to multitask under pressure
- How to solve customer problems clearly and efficiently
- How to manage flexible remote hours with discipline
- How to earn great money in part-time shifts

## What Our Agents Say

*"I work 15 hours/week after the kids go to bed and it pays my bills. I've never had a job this flexible."* – Lindsey K., Texas

*"The night hours are chill, I work in silence, and I make more part-time than I used to make full-time."* – Nate F., Nevada

## FAQs

### **Q: Can I choose my own night shifts?**

Yes! You pick your preferred hours and days.

### **Q: Do I have to talk to customers?**

Nope. This is a written-only support role.

### **Q: Is this a contract or W2 position?**

This is a 1099 contractor role with optional benefits for qualifying schedules.

### **Q: Can I increase hours later?**

Definitely. Many agents scale up from 10 to 30+ hours/week once they get comfortable.
