Product Reviewer – Entry-Level | \$25-\$35/hr | Remote Work

Description

Are you looking for a remote job opportunity that is not only fun but also pays you \$800 per week? Then you've come to the right place. We are currently looking for 3 ordinary app testers from the United States to test and review exciting messaging apps similar to Snapchat. This is an entry-level position that requires no previous experience, making it perfect for beginners.

Job Description

As a remote product reviewer, your role is to download the assigned apps, test them out, and then provide a detailed review of your experience with the app. This review can range from any bugs and errors you've encountered while using the app, or any positive aspects of the app that you've enjoyed. Your review should be between 200-300 words and submitted through our system.

Compensation

We offer a pay rate of \$25 per hour for this position, with a weekly pay of \$800. Payments are made through PayPal or direct deposit.

Location

This is a remote position, and individuals from the United States are preferred.

Requirements

To apply for this position, you must have a reliable internet connection and access to a laptop, tablet, or smartphone.

Necessary Experience

No previous experience is required for this position. As long as you are familiar with using apps like Snapchat, you can apply for this position and qualify for it. Even if you are not familiar with Snapchat, it only takes a few seconds to learn how to use it.

Job Duties

As a remote product reviewer, you will be responsible for downloading and testing various messaging apps similar to Snapchat. You will be required to use the app extensively, exploring all its features and functionalities. You will need to identify any bugs or errors that you come across while using the app, and report them to the development team. Additionally, you will also be required to provide your feedback and suggestions on how the app can be improved.
