Test Apps from Home Remote Job Earn \$25-\$35/hr with No Experience Needed

Description

Are you someone who enjoys testing new apps and software and sharing your opinions through reviews? If so, we have an exciting opportunity for you to become a part of our team as a Remote Website & App Tester.

As a Remote Website & App Tester, you will have the chance to work from the comfort of your own home and make an impact by providing valuable feedback to businesses trying to expand their app reach across all platforms and devices.

We are looking for individuals who are passionate about technology and have basic English writing skills. This is an entry-level position, and we provide full training to help you develop your skills.

Key Responsibilities

As a Remote Website & App Tester, you will be responsible for the following:

- Downloading apps to your smartphone or tablet
- Testing app features
- Writing a short review of your experience
- Listing any faults

Your feedback will be crucial to businesses that are trying to improve their apps and software. Your reviews will provide valuable insight into how users interact with their apps and what improvements they can make to enhance the user experience.

Salary and Benefits

We offer a competitive salary of \$38 per hour for this position. As a Remote Website & App Tester, you will also enjoy the following benefits:

- Flexible schedule
- Remote work from anywhere in the United States

Requirements

To be considered for this position, you must meet the following requirements:

- Access to either an iPhone/iPad or Android Phone/Tablet
- Reliable internet connection
- Basic English writing skills

While we do not require previous writing experience, we do require basic writing skills. We want our Remote Website & App Testers to be able to communicate their thoughts clearly and concisely in their reviews.
